MARGARET C. RUCHALSKI, Notary Public  
City of Philadelphia Phila CountyPROPOSED REVISION TO THE STATE  
IMPLEMENTATION PLAN FOR OZONE  
FOR THE PHILADELPHIA OZONE  
NONATTAINMENT AREA

## Public Hearing

Ground-level ozone concentrations above the federal health-based standard are a serious human health threat and can also cause damage to crops, forests and wildlife. The Department of Environmental Protection is seeking public comment on a state implementation plan (SIP) revision for the Philadelphia ozone nonattainment area (Bucks, Chester, Delaware, Montgomery and Philadelphia counties).

On October 26, 2001, the U.S. Environmental Protection Agency (EPA) approved Pennsylvania's One-Hour Ozone Attainment Demonstration for the Philadelphia area. This approval included a requirement for Pennsylvania to revise the 2005 attainment year motor vehicle transportation conformity emissions budgets using a revised methodology (MOBILE6) to calculate vehicle highway emissions within one year after its release (January 29, 2002). Pennsylvania, therefore, must submit its revised budgets for the Philadelphia area to EPA as a SIP revision by January 29, 2003.

The SIP revision will fulfill Pennsylvania's requirement to revise its existing motor vehicle emissions budgets and, once found adequate by EPA, will establish a new 2005 motor vehicle emissions budget for the purposes of transportation conformity.

This proposal is available on the DEP Website at <http://www.dep.state.pa.us> (choose information by Subject/Air Quality/Ozone/Clean Air Plans), or through the contact person(s) listed below.

The Department will hold a public hearing to receive comments on the SIP revision on Tuesday, January 7 at 1 p.m. at the Pennsylvania Department of Environmental Protection, Southeast Regional Office Hearing Room, Lea Park, 595 North Lane, Suite 6010, Conshohocken, PA.

Persons wishing to present testimony at the hearing should contact Connie Cross, 717-787-9495 (P.O. Box 8468, Harrisburg, PA 17105) to reserve a time. If you do not reserve a time, you will be able to testify after pre-registrants. Witnesses should keep testimony to 10 minutes and should also provide two written copies of their testimony at the hearing. Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceeding should contact Wick Havens at the telephone above. TDD users may contact the AT&T Relay Service at 800-854-5984 to discuss how the Department can best accommodate their needs.

Written comments should be sent to Wick Havens, Chief, Division of Air Resource Management, Bureau of Air Quality, P.O. Box 8468, Harrisburg, PA 17105-8468 no later than close of business on January 10, 2003.
